

# **CANARY THE SCHOOL**

## **Theme: Who We Are**

### **CONTENT OF LOI-2 & 3**

#### **LOI : How relationships affect us**

##### **Features of a good relationship.**

- 1. Communication:** Communication plays an important role in a relationship. People should always share their thoughts and ideas in a relationship.
- 2. Honesty:** Be honest in relationship. Do not lie or hide things from your family and friends. Remember every problem has a solution. So be honest as 'honesty is the best policy'.
- 3. Forgiving:** Fighting over small issues is foolish and makes the situation worse. Always be forgiving.
- 4. Smile:** Remember smile can take away any worry, so keep a smile on your face while

talking to people with whom you have relationship with.

5. Time: Spend time with your family and friends. This will make people happy around you and you will know the other person better.

6. Magic words: Use the magic words like 'Thank you', 'Sorry' and 'Please'. Sorry can solve many problems in a relationship.

7. Politeness: Be polite when talking to friends and family. Politeness can make any relationship work.

8. Respect: When you respect someone with whom you are having relationship, they will respect you back. Respect their ideas and thoughts.

9. Stay calm: Control your anger. Try to always stay calm and don't get angry quickly. Think before you.
