

CANARY THE SCHOOL

Theme: Where we are in place and time

CONTENT OF LOI-1, 2 & 3

Definitions:

Explore: Travel through (an unfamiliar area) in order to learn about it.

Discovery: The process of finding information, a place, or an object, especially for the first time.

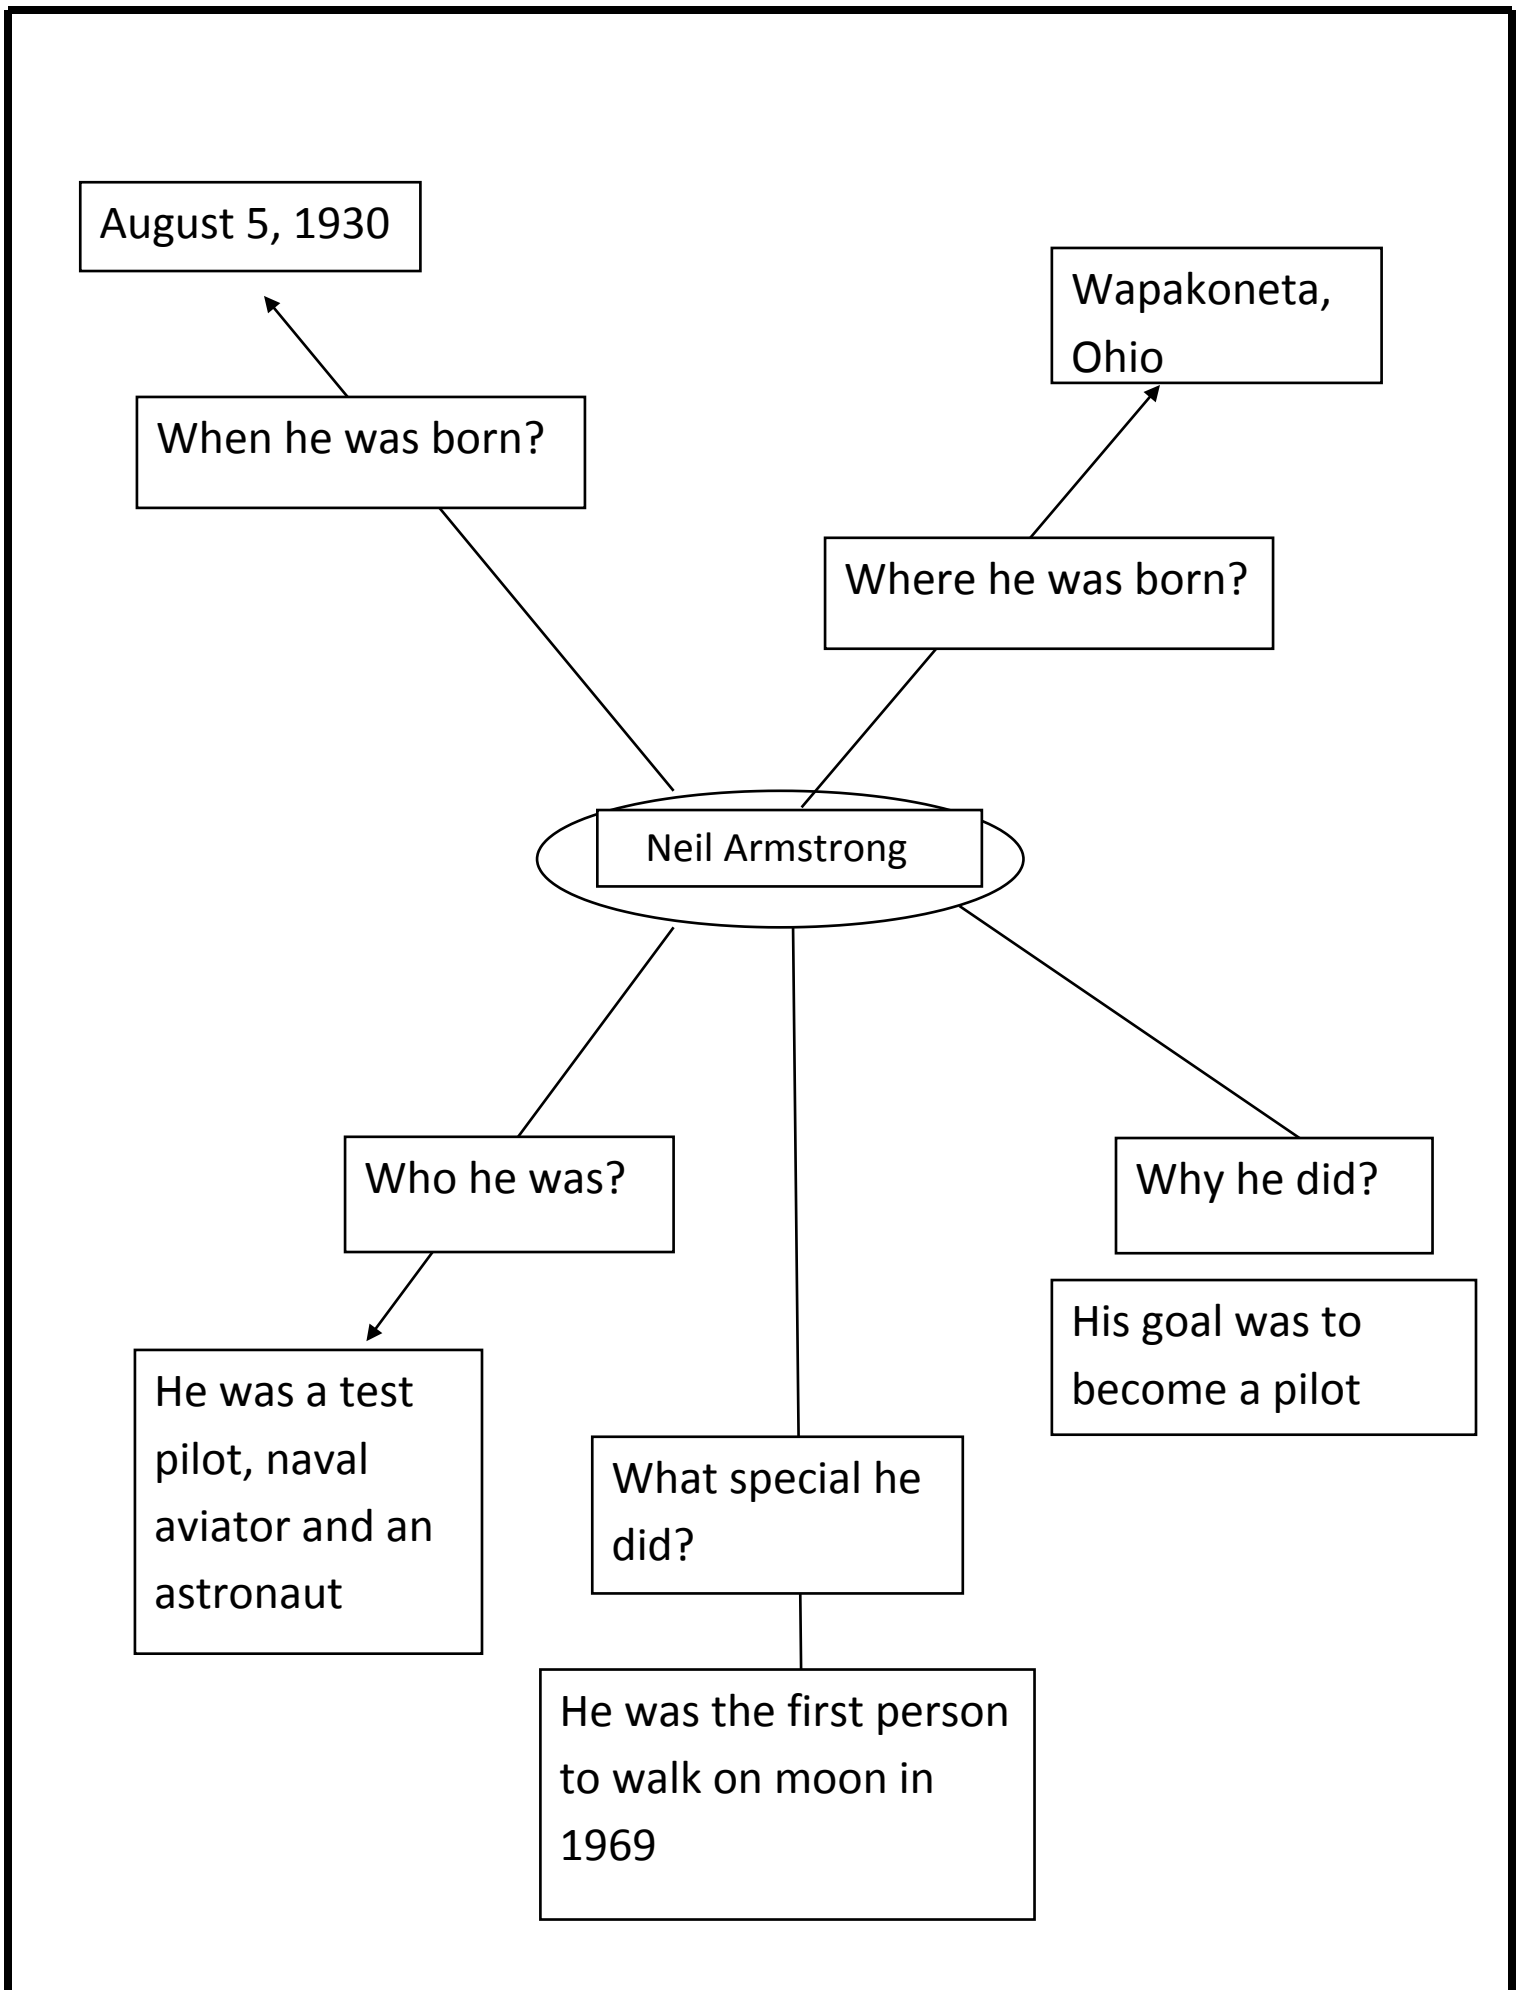

Invent: Create or design (something that has not existed before)

Characteristics of discoverers and explorers

- **Patient.** Explorers are patient as they spend days and nights searching for something new.
- **Courageous.** Explorers need to be confident to try new things.
- **Knowledgeable-** They need to gather lot of information before beginning the journey.
- **Creative** - Explorers must be creative, able to think outside the box that cannot be seen.
- **Communicative** – Explorers need good communication skills. They may need to work as part of a team.
- **Open-minded** -Explorers need to listen to other people and respect their ideas while searching for the best possible solution.
- **Critical thinkers and problem-solvers**-Explorers need to analyze information and make critical decisions to solve problems during their journey.

1460

When he was born?

Sines, Portugal

Where he was born?

Vasco Da Gama

What special
he did?

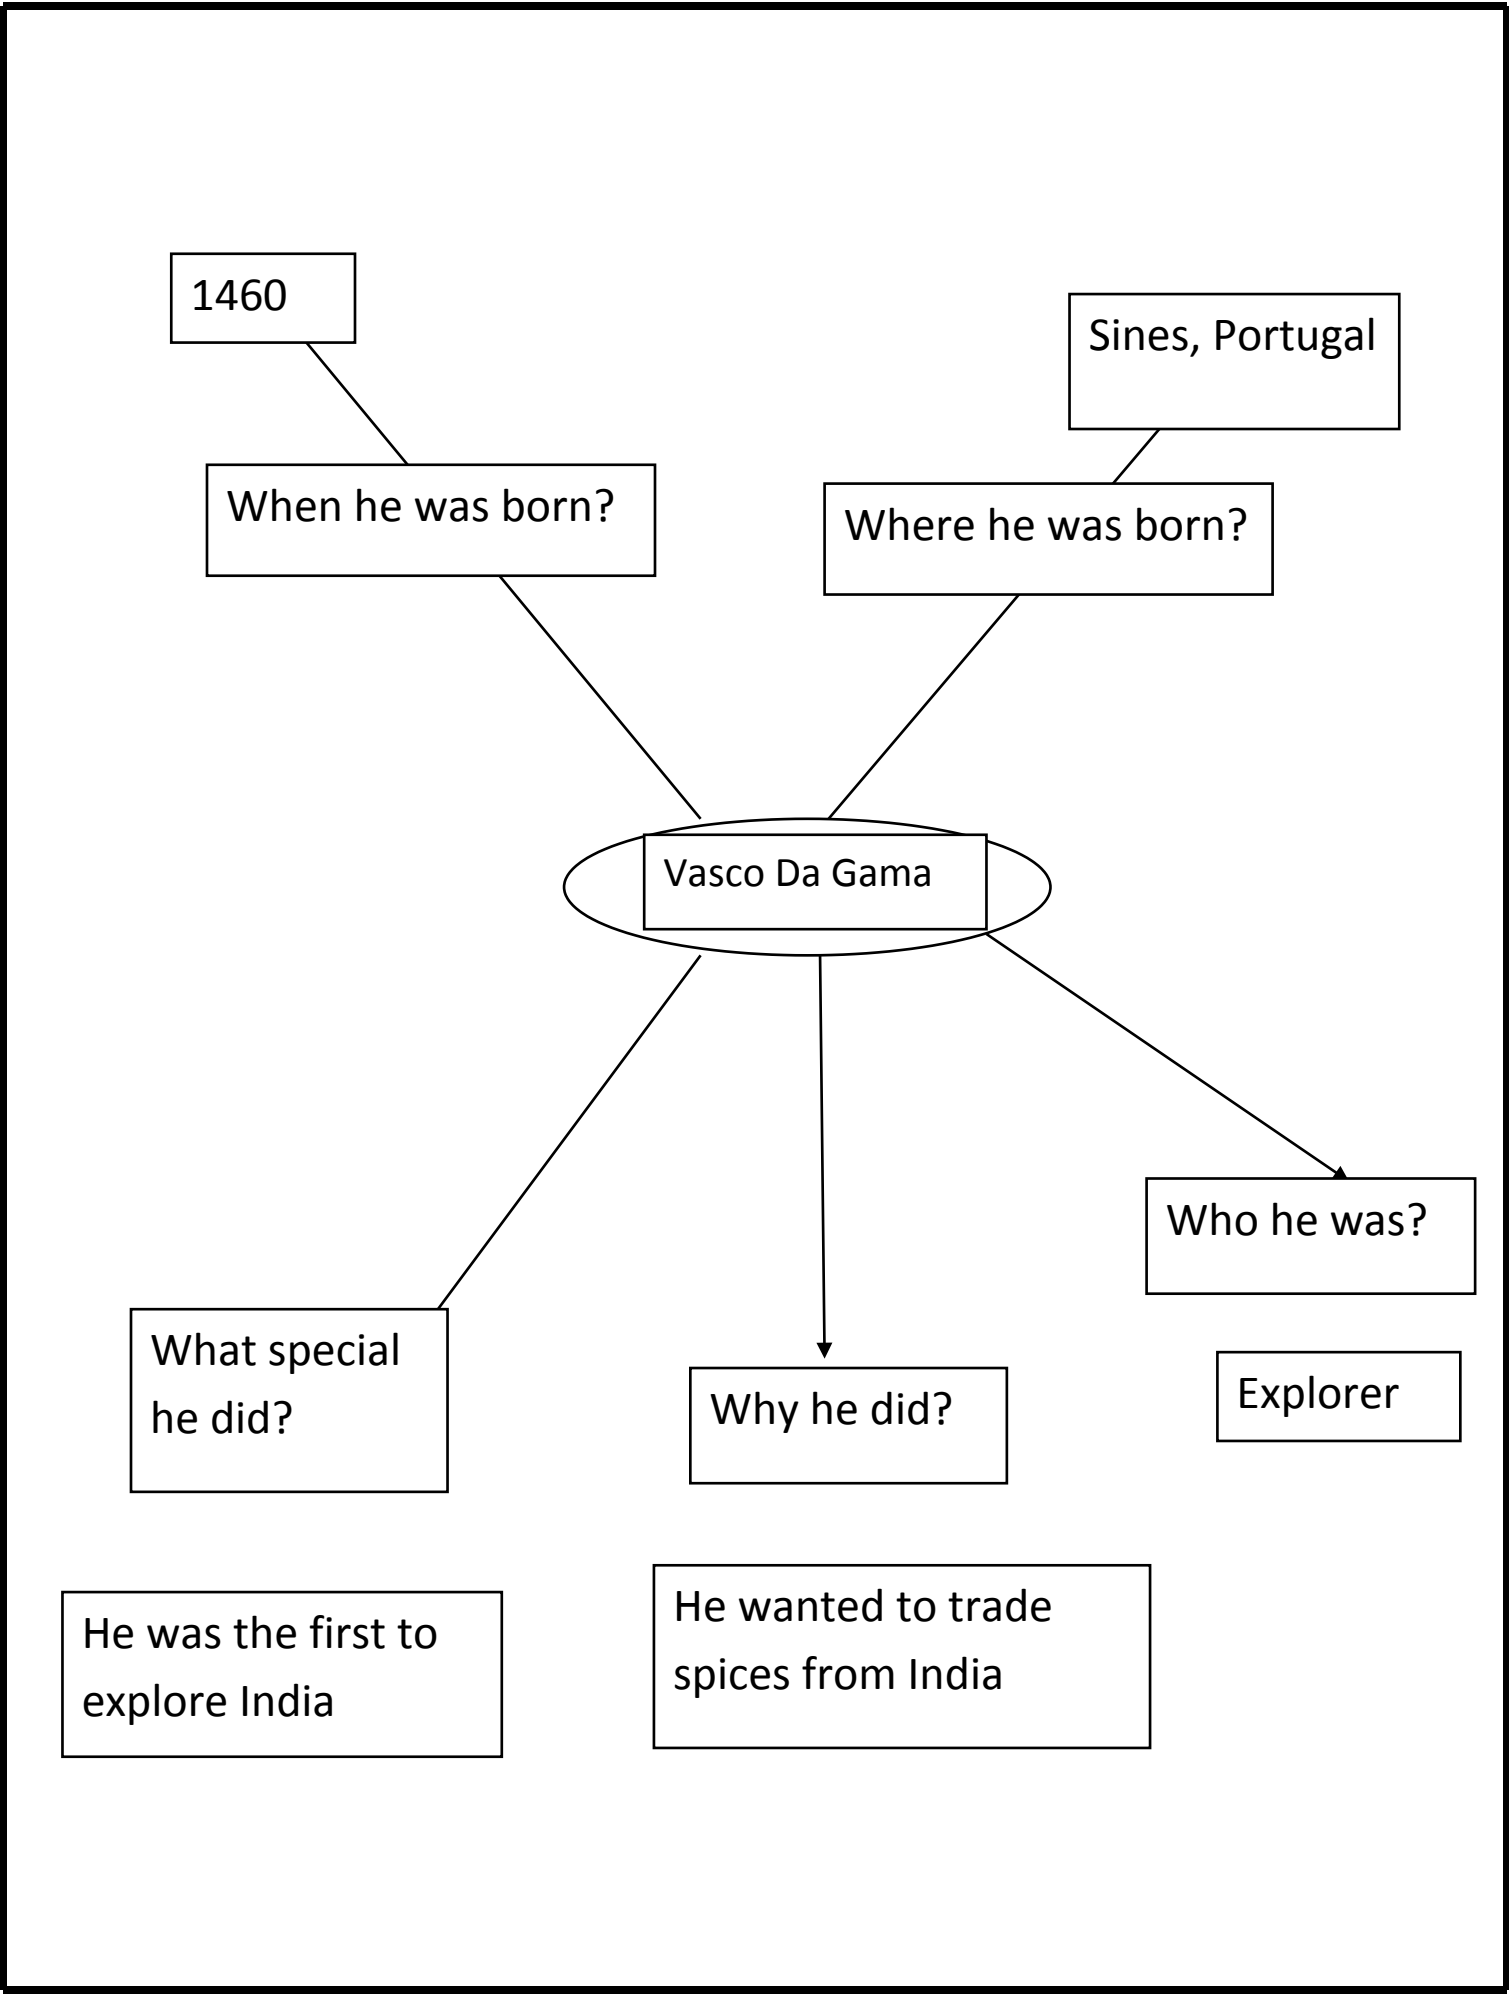

Who he was?

Explorer

Why he did?

He was the first to
explore India

He wanted to trade
spices from India

Explored America

Genoa, Italy

What special
he did?

Where he was born?

Christopher
Columbus

Who he was?

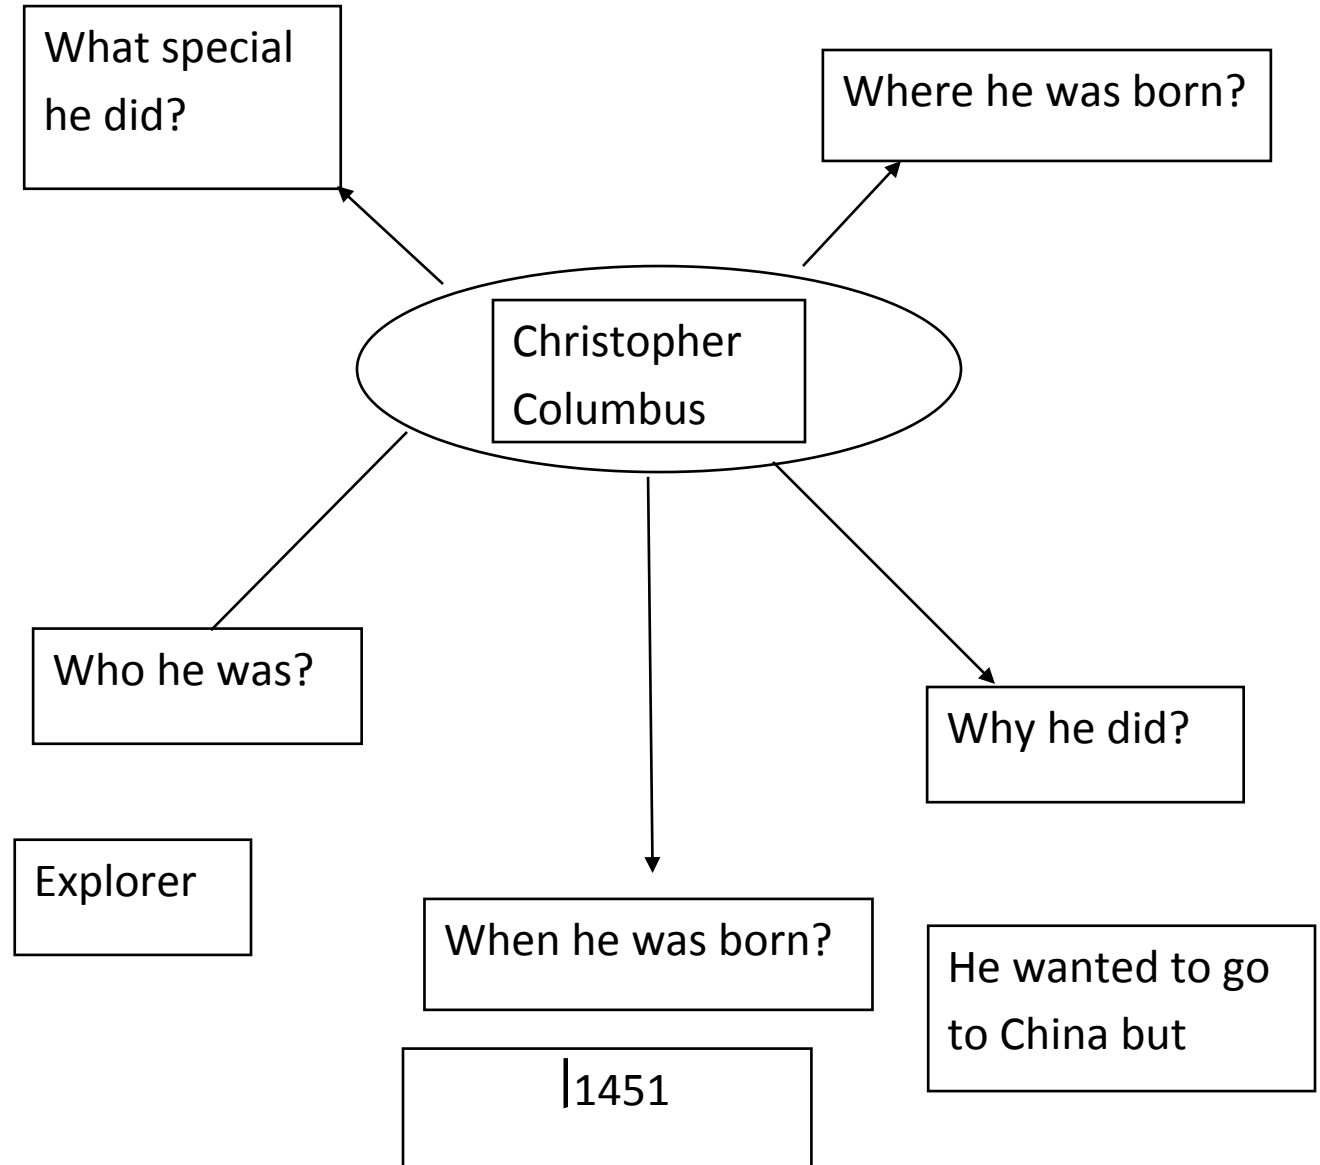

Why he did?

Explorer

When he was born?

He wanted to go
to China but

1451

Impact of exploration and discoveries on our life:

Inventions/Discoveries	Impact
Space exploration	Satellite technology
Wheel	The wheels help us drive our vehicle
Fire	It helped us to cook food and save the early humans from animals
Computer	Computer can do our work easily and quickly
Airplane	We can go anywhere and can save our time
Internet	It gives all kind of information and we can explore a lot
Cell phone	1.We can speak to people living far away 2. We can give the message easily and very fast
